INCIDENT REPORT

Date: July 8, 2014

On July 8, 2014 between the hours of 9:05am and 11am, Gregg Prentice and I were in Circuit Clerk Rebecca Boyd's office. During this time period Mr Prentice and I were asking Ms Boyd questions about the election process, I asked a question about the large stack of ballots which we had observed on July 7, 2014 while sitting at the same table with the McDaniel Campaign volunteers who were reviewing material from the June 24, 2014 Special Election. (Rob Rall, team leader for the McDaniel volunteers advised me prior to opening a secured ballot box, Labeled: PRIMARY RUNOFF BALLOTS & ABSENTEE BALLOTS, AFFADAVITS (AFFADAVITS REJECTED), he inspected the box, Mr. Rall stated the front red plastic seal #000655 was not pulled tight and a person could reach their hand and forearm into the box. The box had an opening in the back which had a piece of plastic tape over the opening with a seal which crossed over the box and seal. The seal # was 294133. I did observe the back seal intact, the front seal was open. I did observe another box which was in a similar condition. The front seal was still secured on this box and I could open the top of the box and place my hand and forearm into the box. The box which had been opened, contained the affidavit envelopes, two absentee ballots, and a stack of rejected affidavit envelopes and large stack of accepted ballots. When the McDaniel group and Gregg Prentice; Julia Hoenig; Mike Rowley and myself counted these ballots the tally was Cochran (691) ballots; McDaniel (464) ballots and (1) non vote totaling (1156) ballots.) Circuit Clerk Boyd explained that paper ballots are only used for absentee voting or affidavit voting, during days of elections voters use electronic voting equipment. NOTE: The 1156 ballots had not been folded in a manner in which they could have been placed in an absentee envelope or an affidavit envelope, only approximately 10-20 ballots had been folded in half, however even these ballots would not have fit in either envelopes.

According to Circuit Clerk Boyd the procedure for the absentee ballots and the affidavit ballots is, once the ballots are completed by the elector, the ballots are placed in the appropriate envelopes and sealed. The envelopes are then given to the Election Commission Board who then opens the envelopes and removes the ballots. If this is the procedure where did these accepted ballots which had no folds in them come from??

Circuit Clerk Boyd agreed to provide Gregg and I copies of the Poll Books from the June 2014 Elections.

Circuit Clerk Boyd told an inmate trustee who was working in the office to go to the Supervisor of Elections office to pick up a package for her. Note the Supervisor of Elections office was in a building next door. While the inmate trustee was away, Circuit Clerk Boyd advised Gregg and I , we would not be able to see the date of birth information. When the inmate trustee returned to the office he was carrying two Poll Books, one blue binder for the democrats and one red binder for the republicans. NOTE: the Poll Books, where not sealed in an envelope or secured in any type container, just open for the inmate trustee to review the names and addresses and date of birth information of the electors listed in the Polls Books.

Page 2 of 2

When Circuit Clerk Boyd received the two Poll Books, which contained last names starting with the Letter A from Precinct #115, she opened the Red Poll Book and took a white-out stick and whited out all the date of birth's on the first page of the Poll Book so Gregg and I would not see the date of birth information.

NOTE: This was the Official Poll Book, which Circuit Clerk Boyd altered.

I certify and affirm that the above information is true and correct.

questionable ballot procedure

**DESCRIPTION OF INCIDENT**

In ballot box # 655, 'Primary Run-off ballots & Absentee Ballots & Affidavits' (Rejected Affidavits) there was 1 military absentee ballot envelope. It had no application or ballot attached. Simply had a note on it saying it came in by email. No indication if was rejected - & yet it was w/ the stack of rejected affidavits & 1 rejected absentee envelope. The

deputy clerk overseeing our process told us ~~she~~ she had (name unknown)

no idea why it was in that stack. According to her, it looked valid. Perhaps the actual ballot was in the other ballot box w/ absentee ballots - we don't know. But this military, absentee envelope should have been in box #2414 w/ all other absentee, accepted envelopes & applications. Note: the procedure from military emails would be for a deputy clerk to hand over the ballot for this emasked military ballot. She could not

**TYPE OF INCIDENT** asked to leave Clerk of Courts Office

**DESCRIPTION OF INCIDENT** After we had begun viewing absentee envelopes/applications, Rebecca Boyd came out of office stating we must leave. She gave us the attached email & statute that dictates we are not, as regular citizens, allowed to view absentee ballot info. She stated that she just called the SOS who told her we must leave. However, this was clarified in the attachment that she actually spoke to the Sr. Attorney for the SOS. Rebecca was insistent that we leave asap, so much so, that she asked we leave all contents as is instead of putting back in their order we found them in.

We left, but came back 5 min. later to request Rebecca give us this order in writing. She did - she attachments.

Dear Craig:

Thank you for your letter dated 7/3/14 regarding the Senator McDaniel's request to review the poll books and ballot boxes pursuant to 23-15-911. I understand that you have a conflict for 9:30 in the morning. While the representatives will cooperate in any manner necessary to get this documentation, they will be there at 9:30 ready for the review. Your presence is not warranted nor is it allowed pursuant to the statute. Only the credentialed campaign representatives and the Rankin County Circuit Clerk or deputy clerk are to be present for this inspection.

After we notified the Cochran campaign and served them with notice, they in turn noticed the McDaniel campaign that they too will be reviewing the ballot boxes and poll books at 9:30 in the morning. Therefore our credentialed representatives will be there at 9:30 as previously scheduled. They, of course, will accommodate the needs of the clerk and wait until such time as it may be arranged. Any announcement made regarding rescheduling should be done at 9:30 when representatives of both campaigns are present.

As a courtesy to you, I anticipate the following to be there at 9:30 on behalf of the McDaniel campaign, however, if substitutions become necessary, those individuals shall have their credentials.

- 1.) Rob Rall
- 2.) Todd Macko
- 3.) Crystal Rall
- 4.) Attorney John McNeal

We look forward to working with the Circuit clerk tomorrow.

Sincerely,  
Mitch Tyner

## TYPE OF INCIDENT

**DESCRIPTION OF INCIDENT** ON 7/7/2014 at approx: 1:15 PM while reviewing the Absentee Ballot Envelopes AND Application Requests I observed numerous ballots and/or applications which had been Accepted. These forms had issues which violated the statutory requirements for Accepted Absentee Ballots. Present with me at the time were four volunteers from the McDaniel Campaign. Rob Rall was the Lead Volunteer cell #: (601)-624-9235 address: 4 Lake Barnett Dr. BRANDON, MS 39047. The District #1 manilla Envelope containing Accepted Ballot Envelopes AND Applications were being reviewed. A volunteer reviewing Precinct #9 & 10 showed me multiple applications which had no reason on the application for voting by absentee ballot; also potential signature differences from application and back of envelope.

**REMEDY OR ACTION TAKEN** This volunteer also showed me multiple envelopes that had signatures NOT across the Flap during our discussion about this issue, the Deputy Clerk observing us stated, "it is NOT a requirement for the witness statement signature to overlap on the Flap of the envelope". The other three volunteers continued to show me numerous similar irregularities. The volunteer showed me an Accepted envelope which had the Ballot still enclosed in the envelope. I, myself found the same irregularities in the applications and ballot envelope I was reviewing, however I did NOT have the opportunity to write down the specific voter

② information and detail ~~the~~ the irregularities because I was asked to leave by Rankin County Circuit Clerk Rebecca Boys (601) 825-1466 promptly and affixed the same information to the envelope. 215 E. GOVERNMENT ST. BRANDON MS 39043. @ approx 2:15PM

She also said:

- 7,000 pg Dem } charge

## REMEDY OR ACTION TAKEN

When we left, we spoke w/ 4 McDaniels volunteers who were waiting to see ballot box. Cochran people expected too. Rebecca would not allow us to join the 2 campaigns, even if they are willing. Not enough space. She said we could come back but she wouldn't narrow down time or day b/c she didn't know how many days they would need. But McDaniels people welcomed us to join them: their contact info:

Rob Rall 601-624-9235 rob@actionmarine.ms.com - they  
Said they were unsure of what they are doing! They will call when they are

Condition of Ballot Boxes

**DESCRIPTION OF INCIDENT**

When we were given access to the 4 absentee ballot boxes from primary & run-off, they one had been opened for McDaniel campaign. They described that it was sealed (box # 655) exactly like box #1271 in that the front seals were so loose you could put your entire hand & forearm into box. Both these boxes had seals on back (box #655 / back seal #294133) (box #1271 / back seal #1001831) that correctly sealed back opening. However, the 3rd & 4th boxes (#626, #699) had no seals on back. The opening was a slit that envelopes could be inserted into. None of these boxes had tally sheets, applications, chain of custody, accepted absentee envelopes. One box (seal #655)

**REMEDY OR ACTION TAKEN**

had 1155 ballots, unattached to anything, 691 for Cochran, 464 for McDaniel - but we had no idea what the ballots were, but there were lots of Affidavit envelopes in this same box - and the ballots did not have folds like they came out of absentee envelopes. or affidavit envelopes. Furthermore, box w/ seal #699 had ruined ballots that couldn't go thru machine - approx. 100-500 ruined Republican ballots. Box w/ seal #626 was Democratic Resolution Box and had ONE ruined ballot.

I certify and affirm that the above information is true and correct.

Concerning electronic files, Rebecca was unsure she could provide it, b/c IT dept may not know how to run by precinct or redact DB & SS#. she will get back w/ us & took my phone #. Concerning the <sup>poll</sup> books, she couldn't provide until BD was redacted. She confirmed this w/ SOS office while we were in the office. For hardcopy reports, she would charge \$0.50/page or \$20/hr and stated there were >7,000 Rep records & >7,000 Dem records. ~~and each ran~~

**TYPE OF INCIDENT**
**LOCATING ABSENTEE BALLOT APPLICATIONS & ENVELOPES**
**DESCRIPTION OF INCIDENT**

Upon requesting the above mentioned items at the Circuit Court office, I was told they are separated from the ballot at the Bd. of Elections the evening of the election, the ballots went to the Circuit Clerk the Absentee information placed back into the box sent from the precincts and sealed by the Bd. of ELECTIONS. I returned to the Bd. of ELECTIONS office and spoke with Leslie Lewis. I requested to see the Absentee App. and envelope. She stated that there was information such as Social Security numbers and Driver License numbers on some that need redacted, and it would take "several days".

**REMEDY OR ACTION TAKEN**

I asked Ms. Lewis if it would be possible to check and see if there was someone who might have "more information" to share. She asked I wait a moment. Upon returning Ms. Lewis and an assistant were carrying 5 boxes, all sealed, which she explained contained the Absentee information. She had "made a few calls" and received permission to remove other any information in the boxes not involved in our request then make them accessible to me. I was not given a specific time frame. I was not permitted to observe the removal of any items from the boxes.

I certify and affirm that the above information is true and correct.

**TYPE OF INCIDENT**

Error with Absentee Envelope and Application

**DESCRIPTION OF INCIDENT**

While sorting precinct 119 in Rankin Counties Absentee paperwork I uncovered one envelope with no accompanying application, and one application with no accompanying envelope. When I asked the Deputy Clerk if she was aware, she stated "I recognize that signature, it's mine" I asked her name (which was not printed on the envelope) she would not answer. The application I had in hand was for a Frank (illegible) I asked if her name was Frank, she ~~laughed~~ laughed and said no.

**REMEDY OR ACTION TAKEN**

I asked if she knew how this could happen she said "I don't have a clue". I stated "this is your envelope, where is the application?" Answer: "Must be in there somewhere" I asked "Where would the envelope be for Frank's application?" Answer: "I dunno".

At no time would she give her name. She wore no nametag.

I placed the 2 items on the top of the precinct pack.

I certify and affirm that the above information is true and correct.

**Subject: Election Material Review**

Dear Craig:

Thank you for your letter dated 7/3/14 regarding the Senator McDaniel's request to review the poll books and ballot boxes pursuant to 23-15-911. I understand that you have a conflict for 9:30 in the morning. While the representatives will cooperate in any manner necessary to get this documentation, they will be there at 9:30 ready for the review. Your presence is not warranted nor is it allowed pursuant to the statute. Only the credentialed campaign representatives and the Rankin County Circuit Clerk or deputy clerk are to be present for this inspection.

After we notified the Cochran campaign and served them with notice, they in turn noticed the McDaniel campaign that they too will be reviewing the ballot boxes and poll books at 9:30 in the morning. Therefore our credentialed representatives will be there at 9:30 as previously scheduled. They, of course, will accommodate the needs of the clerk and wait until such time as it may be arranged. Any announcement made regarding rescheduling should be done at 9:30 when representatives of both campaigns are present.

As a courtesy to you, I anticipate the following to be there at 9:30 on behalf of the McDaniel campaign, however, if substitutions become necessary, those individuals shall have their credentials.

- 1.) Rob Rall
- 2.) Todd Macko
- 3.) Crystal Rall
- 4.) Attorney John McNeal

We look forward to working with the Circuit clerk tomorrow.

Sincerely,  
Mitch Tyner
